

7th Slovenian Pneumology Congress joined with Allergology and Immunology congress

Second Announcement and Call for Papers

MAY 6-9 2020

Portorož, Grand Hotel Bernardin

Dear colleagues

January 19th, 2020

Slovenian Respiratory Society together with Slovenian Association of Allergy and Clinical Immunology, Immunology Society of Slovenia, Professional group of nurses and health technicians in pulmonology and in association with University Clinic Golnik, University Clinical Centre Ljubljana and University Clinical Centre Maribor organizes 7th Slovenian Pneumology Congress joined with Allergology and Immunology congress.

The main aim of the Congress is to bring together respiratory and immunology medical doctors, nurses, researchers from the region and offer an opportunity to present the results of scientific and clinical work..

You are kindly invited to attend the congress and participate actively by submitting abstracts for poster and oral communications.

Congress language: English

Congress fee: 100 E (no fee for active participants).

Further information regarding the program and registration: <http://www.zps-slo.si/en/home/>

We look forward to welcoming you in Portorož, Slovenia, in May 2020.

Prof Mitja Košnik MD
President of the Congress Organising Committee

Call for Abstracts

The Organizing Committee welcomes the submission of original contributions for short oral presentations and posters at the Congress.

Abstracts must be written in English. Maximum length is 2500 characters (approx. 350 words)

Abstract should be structured as follows: a brief statement of the purpose of the study (background), the method used, the result observed, and the conclusions based upon the results. It is inadequate to state "The results will be discussed" or "The data will be presented".

The authors' academic degrees, e-mail, residence and grant support should also be included in the abstract.

Accepted abstracts selected by expert reviewers will be presented as oral or poster presentations.

It is the author's responsibility to submit a correct abstract. Any errors in spelling, grammar or scientific fact will be reproduced as typed by the author.

Abstracts should be sent via web page <http://www.zps-slo.si/en/7th-slovenian-pneumology-congress-joined-with-allergology-and-immunology-congress/>

Contact person for all information regarding the program and registration:

Mrs Irena Dolhar

E: irena.dolhar@siol.net

W: <http://www.zps-slo.si/en/home/>

Key Dates

Abstract submission deadline: March 15, 2020.

Deadline for registration: April 20, 2020.

Participants should book hotel accomodation individually
