Mayo Clinic Thoracic Pathology Workshop

September 2–3, 2022

MAKE PLANS TO ATTEND

Semmelweis University
Budapest, Hungary

Course Director
Andras Khor, M.D., Ph.D.

Honorary Course Director
András Matolcsy, M.D., Ph.D., DSc.

COURSE DESCRIPTION

This two-day course provides pathologists, pulmonologists, residents and fellows with pivotal diagnostic, predictive and prognostic information on neoplastic and non-neoplastic diseases of the thoracic cavity including the lung, pleura, thymus, and heart. The course features a keynote presentation, various pathology workshops, and discussions with radiologists and clinicians. The workshop format includes a 15-minute overview by a course faculty member (my approach to ...) followed by moderated 45 minutes of case presentations, which incorporate cases submitted by the attendees.
