Mayo Clinic Thoracic Pathology Workshop

September 13-14, 2024
Semmelweis University
Budapest, Hungary

Course Director

Andras Khor, M.D., Ph.D.

Honorary Course Director

András Matolcsy, M.D., Ph.D., DSc.

COURSE DESCRIPTION

This two-day course provides pathologists, pulmonologists, residents and fellows with pivotal diagnostic, predictive and prognostic information on neoplastic and non-neoplastic diseases of the thoracic cavity including the lung, pleura, thymus, and heart. The course features a keynote presentation, various pathology workshops, and discussions with radiologists and clinicians. The workshop format includes a five-minute overview by a course faculty member (my approach to ...) followed by moderated 40 minutes of case presentations, which incorporate cases submitted by the attendees.
