

**The Sleep and Breathing Conference is the largest pan-European meeting of its kind and offers an integrated approach to the investigation and treatment of sleep disorders.**

Taking place in Antwerp, Belgium from 10-12 April, 2025 the focus of the conference is on professional development and education. Organised by the European Respiratory Society (ERS) in partnership with the European Sleep Research Society (ESRS), Sleep and Breathing 2025 will give participants the opportunity to update knowledge and skills and network with other respiratory professionals specialising in the sleep respiratory medicine and science.

Participants will benefit from a comprehensive programme comprising of various types of interactive sessions, hands-on practical skills workshops and presentations of original research and clinical case reports.

**This year's Sleep and Breathing Conference will be a hybrid event, with both online and onsite attendance possible. Early bird registration for the onsite event ends on 27 January, 2025 at 23:59 CET.**
